

AUSTRALIA FIRST MOVEMENT

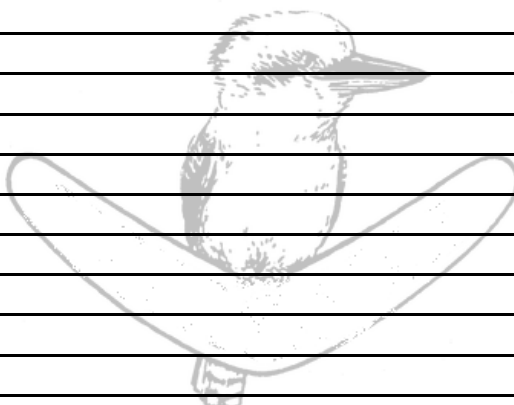

COMMONWEALTH CITIZENS PETITION

TO:- Representatives in the Parliaments of The Commonwealth of Australia.

We the below Individuals and Electors of The Commonwealth, the highest authority in our native land, Petition and Direct the said Representatives to:-

- i] Stop Chinese Imperialism and purchase for return to Public Ownership the landed agricultural properties know as Kidman Station; to be declared forthwith for selective usage, as Australian Bush Estates under a National Land Act.
- ii] Create appropriate lodgings, and programme for access by Australian Youth under an educative work curriculum, and focus on our Native Soil, Australian Heritage and High Culture Community Values.
- iii] Secure Aborigine Race involvement for agricultural, and land work skills training, including for reverting of selected land to its native vegetated state under cultural guidelines.
- iv] Develop separate self-contained facilities with stringent professional services to undertake compulsory detoxification and rehabilitation of Australian Youth suffering the drug scourge.
- v] Undertake upgrading of existing occupiers for co-operative management, to retain involvement and assist with Bush Estate usage.
