## PRESS RELEASE

Nominations for the Native Australian Award

# ***THE ORDER OF THE TOAD***

are invited from Australian Citizens,  
to be formally declared on

**AUSTRALIA DAY**  
**26<sup>th</sup> January**

**The Anniversary of European Settlement**

### **GENERAL CRITERIA.**

This award is derived from the vernacular heritage of Australia's pioneering peoples, who applied the term to those who betrayed fairdinkum values, or undertook what were considered un-Australian activities. The graphic symbol of the award, Bufo Marinus, [Cane Toad] should exemplify the character of any nominee - a terminal despoiler, necessitating complete removal from any influence in our Australian civilisation.

Nominations are restricted to individuals who could be classed either as Native Australian, or as an assimilable post war immigrant.

Persons nominated should have excelled in the prevailing Traitor Class:- Globalists and internationalists working against the European derived identity of the Australian Nation, and the Great Cause of Independence for Australia; bourgeois liberals; media sycophants; quisling politicians; money changers who advance economics as the prime determinant in society; Australia-hating multiculturalists undermining our Aussie culture and heritage; Aborigine Race destroyers, proponents of over population through mass immigration, advocates for fake refugees, exploiters pillaging the environment and adding to the destruction of the eco-systems of our Native Land.

Please forward the name and address of the person to be nominated, with full particulars, including references to support the nomination, by 15<sup>th</sup> January 2011, to the address below. Include your own name and address.
